

Chelsea Sofa Style Ideas

Description

Introduction

A timeless classic inspired by a traditional Nineteenth century Victorian design. Sink into the Chelsea's luxurious cushions and soft gentle curves. Admire the exquisite detailing, hand finished in time honoured tradition. This range is available with either an elegant fixed back frame or as a sumptuous cushioned back.

Our Chelsea cushion back sofa is shown here – pretty in pink – in a simple understated cotton linen mix by Harlequin. This highly durable plain fabric – Kanela Blush – is the epitome of subtle styling. Its calming tones is beautifully set alongside the natural wood grained side table with matching turned legs. Also featured is our Maximus hand deep buttoned footstool in an elegant Yarwood mink leather.

Here is our fixed back version of the Chelsea range with a 3-seat cushion layout ~ which is a look coming rapidly back into vogue. Upholstered in a stunning high-quality plain – Saga – velour by Zimmer & Rohde. This is showcased beautifully with dark ebony legs & shiny chrome castors, giving a modern twist to a classical piece.

Our Chelsea fixed back sofa is depicted here in a beautiful navy blue full aniline saddle leather. This supple leather comes in a variety of rich colours and has a highly desirable smooth surface and prized antique patina. Invest in the best, as quality leathers of this nature only improve with age.
