

## Valentina Bed Style Ideas

### Description

### Introduction

Sleep in style on our exquisite Valentina divan; a beautiful Regent style design, fit for a King. This divan is a stunning piece of upholstery, available in a variety of sizes with drawer options and various feet and castor finishes.

Our delectable Valentina bed is shown here in a beautiful soft Italian velvet by Linwood fabrics. **Omega** is undoubtedly a winning upholstery fabric being washable and hard-wearing with a stain resist finish. This period house setting is perfectly accessorised with a leaf print occasional chair, pear green scatter cushions and deep sage panelled walls.

Here is a detailed image of the headboard of our Valentina divan bed. This showcases the meticulous deep buttoning and pleating detail which our master craftsmen & women accomplish by hand, one by one. For this high level of quality, it's not a skill that can ever be rushed!

Part of our Valentina range is this beautiful 'end of bed bench'. With its exquisite deep buttoning detail, it perfectly ties in with the majestic stance of the Valentina divan. Its classical Victorian styling is sophisticated and effortlessly elegant.

The Valentina shown here in a plush grey velvet shows off its deep roll detail around the divan base. This opulent divan is available with the option of drawers and you can swap the glides for either chrome or brass shepherds castors or wooden feet in a variety of finishes.
